

Removal of Caution Labels Supplied with the Instruction Manual of General-Purpose Inverter

Thank you for your continued patronage of Mitsubishi Electric drive control products. In order to streamline the production process, caution labels will not be supplied with the Instruction Manuals of general-purpose inverters.

1. Details of the Change

Cautions currently printed on labels will be provided in the Instruction Manual. The change does not affect the quality, performance, or specifications of the products.

Before	After
 <p>Example of labels supplied with the FR-D700 Instruction Manual (Basic)</p>	 <p>Example of cautions in the FR-D700 Instruction Manual (Basic)</p>

2. Date of Change

The change will be sequentially applied to the products manufactured in March 2019 or later.

3. Product Identification

The products can be identified visually.
