Sales and Service

No. 634E

Change of Instruction Manual Packaging Material

Thank you for your continued patronage of Mitsubishi Electric drive control products.
The packaging material of the inverter Instruction Manuals will be changed.

1. Products Affected

Inverter Instruction Manuals (including technical documents)

2. Details of the Change

At present, inverter Instruction Manuals are packed in cardboard boxes or plastic bags. However, all manuals will be packed in plastic bags to prevent them from being soiled.

Before	After
	
Packed in a cardboard box	Packed separately in a plastic bags

3. Date of Change

The change will be sequentially applied for the products manufactured in June 2020 or later.
Both packaging materials may coexist at the distribution stage.

4. Product Identification

The package can be identified visually.
