No. 669E

### Appearance Change of the Packaging Box for the FR-BLF Inverter Option

Thank you for your continued patronage of Mitsubishi Electric drive control products.  
The appearance of the packaging box for the FR-BLF inverter option will be changed.

#### 1. Products Affected

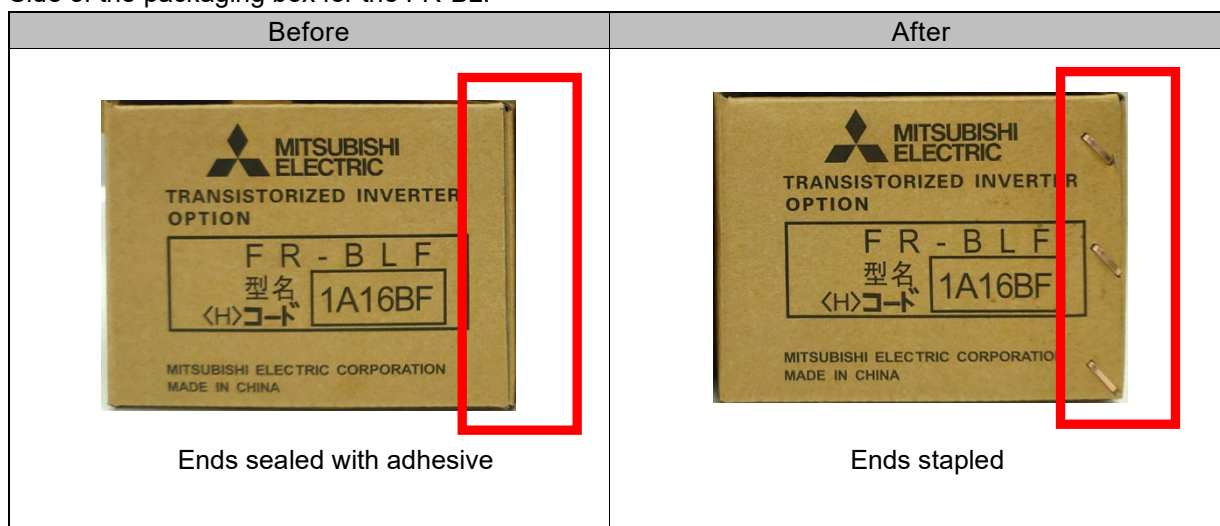

FR-BLF

#### 2. Details of Change

The ends of the cardboard, currently sealed with adhesive, will be stapled at one corner of the packaging box.

The outline dimension and internal structure of the packaging box will not be changed.

Side of the packaging box for the FR-BLF

#### 3. Date of Change

The change will be sequentially applied for products shipped in April 2021 or later.

\* The schedule may vary depending on the quantity of the existing packaging boxes.

#### 4. Product Identification

The packaging boxes can be identified visually.
