### KC Mark Added to the FR-A800 Series Inverters

Thank you for your continued patronage of Mitsubishi Electric drive control products.  
 The KC mark will be added to the FR-A800 series inverters to show the compliance with the Radio Waves Act (South Korea).

#### 1. Products Affected

FR-A820-0.4K to 3.7K-GF

#### 2. Details of Change

The KC mark will be added on the rating plate and the packaging plate of the product as shown in the following table (area outlined in red).

The change does not affect the quality, performance, or specifications of the products.

(Example)

Area	Before	After
Rating plate		
Packaging plate		

#### 3. Date of Change

The change will be applied to the products manufactured in December 2021 or later.

#### 4. Product Identification

The products can be identified by the presence/absence of the KC mark.
