

Appearance Change of the EMC Directive Compliant Noise Filter (Inverter Option)

Thank you for your continued patronage of Mitsubishi Electric drive control products.
 The appearance of the EMC Directive compliant noise filter (inverter option) will be changed due to the parts change.

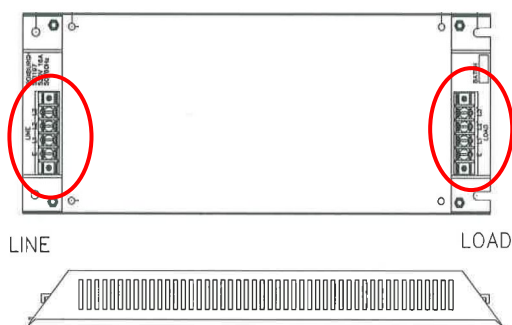

1. Products Affected

SF1197

2. Details of Change

The appearance of the terminal blocks (shown in the red circles) will be changed.
 The change does not affect the quality, performance, or specifications of the products.
