

### Version Update of FR Configurator Mobile (Mobile App for Inverters)

Thank you for your continued patronage of Mitsubishi Electric drive control products.  
 The version of FR Configurator Mobile (mobile app for inverters) will be updated to support additional inverters.

#### 1. Details of the Version Update (Ver. 1.2.0 to Ver. 1.3.0)

- Addition of supported inverters  
 FR-E846-SCE and FR-E810W-E/-SCE inverters will be supported.

#### 2. How to download the new version

The new version is available for download on the Internet (free of charge).  
<https://www.mitsubishielectric.co.jp/fa/mapp/inv/>

The banner features the Mitsubishi Electric logo on the left, followed by the text "Download the free app now". To the right are the "GET IT ON Google Play" logo and a QR code, and the "Download on the App Store" logo with another QR code.
