Change of the cTÜVus Certification Mark on the MR-J3W Series and MR-JN Series General-purpose AC Servo

Thank you for your continued patronage of the Mitsubishi general-purpose AC servo and FA products. The cTÜVus certification mark on the MR-J3W series and MR-JN series general-purpose AC servo will be changed. We ask for your understanding in this matter.

1. Reason for Change

TÜV Rheinland for North America, Inc. redesigned its cTÜVus certification mark.

2. Target Servo Amplifiers

MR-J3W series: All models with the old cTÜVus certification mark

MR-JN series: All models with the old cTÜVus certification mark

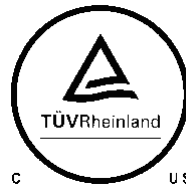

3. Details of Change

The cTÜVus certification mark will be changed as shown below.

<Before change>

<After change>

4. Schedule

This change will be made sequentially from the July 2011 production. Because of inventories, old and new products may exist in the distribution stage. We ask for your understanding in this matter.

This change will not affect the servo amplifier functions or performance.
