

## Sales and Service

### Change of the Design on the Packing Box for General-purpose AC Servo Products

Thank you for your continued patronage of the Mitsubishi general-purpose AC servo and FA products. The design on the packing box for general-purpose AC servo products will be changed. We ask for your understanding in this matter.

#### 1. Target Models

All the Mitsubishi general-purpose AC servo products (Servo amplifiers, servo motors, and options)

#### 2. Schedule

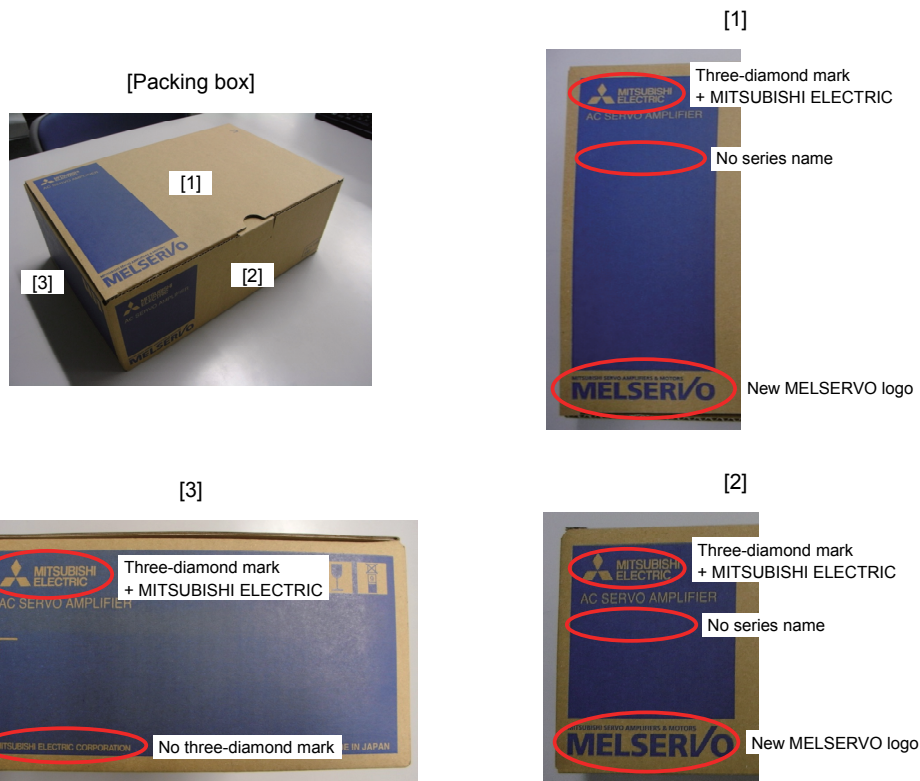

This change will be made sequentially from the January 2012 production. Because of inventories, old and new boxes may exist in the distribution stage. We ask for your understanding in this matter.

#### 3. Purpose

To adopt a new packing box design with the new MELSERVO logo

#### 4. Details of Change and Difference between New and Old Packing Boxes
