Product Packaging Box Label Change for the Mitsubishi Servo Amplifier and Servo Motor

Thank you for your continued patronage of the Mitsubishi general-purpose AC servo and FA products. To enhance traceability of the AC servo amplifier and servo motor products, we will change the packaging label as follows. We ask for your understanding in this matter.

1. Target Models

The products of the following series in the catalog

- Servo amplifier
 - Servo amplifier MR-J4 series
- Servo motor
 - Rotary servo motor HA/HC/HF/HG series
 - Linear servo motor LM series
 - Direct drive motor TM-RFM series

2. Purpose

To enhance traceability management of products

3. Details of Change

The QR code will be added to the packaging label on the product packaging box as follows.

4. Schedule

This change will be made sequentially from the June 2013 production.

There may be cases when both new and old products exist in the distribution stage. We ask for your understanding in this matter.
