

AC Servo Sales and Service

Change in the Corporate Logo on the Option Battery for General-Purpose AC Servo Amplifiers

Thank you for your continued patronage of the Mitsubishi Electric general-purpose AC servo. We will change the corporate logo on the option battery of MR-J2/J2S series AC servo amplifiers as follows.

1. Target Model

MR-J2/J2S series option battery, MR-BAT

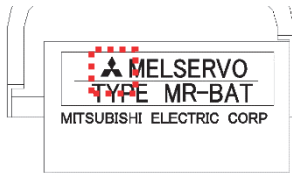

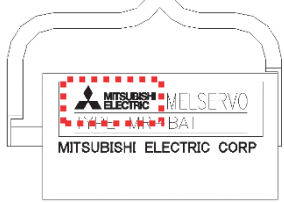

2. Reason for the Change

To standardize the design of general-purpose AC servo

3. Details of the Change

The corporate logo on the rating plate will be changed from the Mitsubishi mark alone to a combination of the Mitsubishi mark and MITSUBISHI ELECTRIC.

Before	After
	

4. Schedule

This change will be made sequentially from the March 2019 production. Note that, depending on the stock status, the products with both the former and new plates may be distributed in the market around the same time.
