

Sales and Service

Addition of a Two-Dimensional Code to the Packaging Label of MELSEC iQ-F FX5-40SSC-S Simple Motion Modules

Thank you for your continued patronage of the Mitsubishi servo system controllers and Mitsubishi Electric FA products.

The packaging label of FX5-40SSC-S Simple Motion modules will be changed as follows. We ask for your understanding in this matter. This change does not affect the functions and performance of the products.

1. Target Model

FX5-40SSC-S

2. Reason for Change

To improve the traceability of the products

3. Details of the Change

A two-dimensional code is added to the packaging label of FX5-40SSC-S Simple Motion modules.

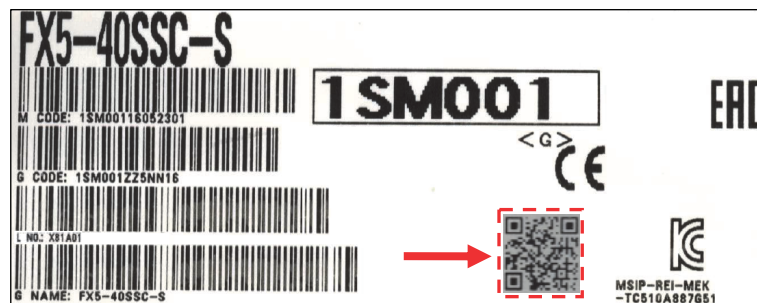

Figure 1. Indication example (FX5-40SSC-S)

4. Schedule

This change will be made sequentially from the October 2016 production.

There may be cases where both the former and new products exist in the distribution stage.
