[Title] Changes to the packing of ZKB-10HBN type powder brake

[Date of Issue] September 2019

[Relevant Models] ZKB-10HBN

Thank you for your continued support of electromagnetic clutch and brake.

We would like to announce the change to the packing of ZKB-10HBN type powder brake.

There is no impact on the general specifications, performance specifications, functions, and external dimensions of the large-sized powder clutch and brake due to these changes.

### 1 Object models

Product	Model	Model code
Powder brake	ZKB-10HBN	093374

### 2 Reason for the change

For improvement of the handleability in distributing process.

### 3 Content of the change

Item	Before change (wooden box)	After change (cardboard box)
Packing box	<p>Label (Displays product details such as model name and serial number)</p> <p>Display of company name and other details</p> 	<p>Label (Displays product details such as model name and serial number)</p> <p>Display of company name and other details</p> 
External dimensions	430 (W) × 350 (D) × 360 (H) [mm]	430 (W) × 480 (D) × 360 (H) [mm]
Display of company name and other details	Printed on the wooden box	Printed on the cardboard box
Label (Displays product details such as model name and serial number)	Attached to the wooden box	Attached to the cardboard box

### 3 Changeover period

The changes will be applied to the products manufactured in October 2019 and later.

Depending on stock status, both the old and new products may be distributed in the market around that time.
