2. Reasons for Discontinuing Production

We have difficulty to obtain some electronic parts for the GOT, including microcomputers, memories, and ASICs. The reason is that stricter process rules have become standard in recent years. We also have to meet environmental conservation needs. We are about to run out of parts for GOT-A900 series, and we will have difficulty to maintain the production system and product quality.

3. Alternative Models

(1) Selecting GOT Model and Option

For alternative models, refer to TECHNICAL BULLETIN "Precautions when Replacing GOT-A900 Series with GOT2000 Series" (GOT-A-0062).
