

Withdrawal of the CCC Certification of MELIPC MI1000 Series

■Date of Issue

July 2021

■Relevant Models

MI1002-W, MI1002-W-CL

Thank you for your continued support of Mitsubishi Electric industrial PC, MELIPC series.

We will inform you about withdrawal of the CCC certification of MELIPC MI1000 series.

1 OVERVIEW

CCC is an abbreviation for China Compulsory Certification.

This is a certification system in China for the purpose of protecting consumers and ensuring safety in China.

It is related to export, distribution, and sale of products to China.

We have always obtained CCC certification for MELIPC MI1000 series, but will withdraw it.

2 RELEVANT MODELS AND EXPIRATION DATE

The following shows the relevant models and expiration date of CCC certification.

Product	Model	Expiration date
MELIPC MI1000	MI1002-W MI1002-W-CL	July 31, 2021

After the expiration date, the certification will be revoked for all relevant models including those on the market.

3 CHANGES IN PRODUCTS

Products shipped after withdrawal of the CCC certification will no longer have the CCC marks on the rating plates.

Note that the general specifications, performance specifications, functions, and external dimensions of products remain unchanged with this change.

After the expiration date, the certification will also be revoked for products with the CCC marks on the rating plates.
