[Title] Changes in the appearance of the A1SD75P2-S3/A1SD75P3-S3 positioning module

[Date of Issue] May 2010

[Relevant Models] A1SD75P2-S3/A1SD75P3-S3

Thank you for your continued support of Mitsubishi programmable controllers, MELSEC-AnS series.

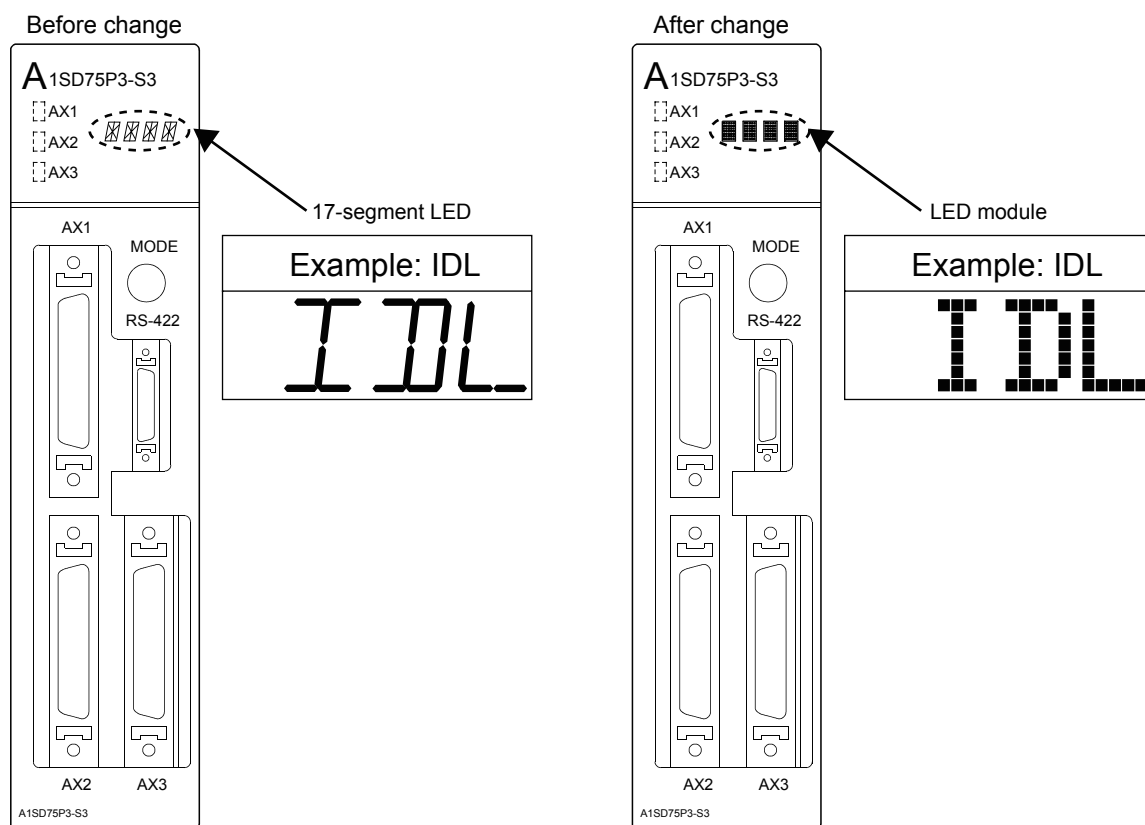

The LED display of the A1SD75P2-S3/A1SD75P3-S3 positioning module has been changed due to production discontinuation of some associated parts.

Note that the changes described in this bulletin are not applied to the A1SD75P1-S3 positioning module.

1. Main change

The 17-segment LED display has been changed to the LED module.

Note that the display method, general and performance specifications, and all other features of these models are unchanged.
