Thank you for your continued support of Mitsubishi programmable controllers, MELSEC-K series.

Production of the K6PR printer ribbon will be discontinued.

## 1. Model to be discontinued

Product name	Model
K6PR printer ribbon	K6PR-R

## 2. Schedule

- Production discontinuation Through July, 2007

## 3. Reasons for discontinuing production

- 10 years (repair period: seven years) has passed since sales end of the K6PR.
- Maintaining the production system became difficult.

## 4. Repair acceptance

As this product deteriorates with use and is expendable part, it is not the target model of repair.
