

Addition of Country of Origin Indication

■Date of Issue

October 2022

■Relevant Models

Tension controllers

Thank you for your continued support of Mitsubishi Electric tension controllers.

We are informing you that the country of origin indication will be added to the following cable for the tension controllers.

Please note that there is no change in the general specifications, performance specifications, and external dimensions of the tension controllers.

2 DETAILS ON THE CHANGES AND REASONS FOR THE CHANGES

The printings on the label of the product and the packaging will be changed as shown below.

- (1) The country of origin will be added on each label on the product. (To indicate the country of origin of the product)
- (2) QR code will be added on each packaging. (To manage parts during production)
