

Mitsubishi General-Purpose AC Servo

Sales and Service

No. 10-27E

Change in Power Supply Connector of General-purpose AC Servo Motor

Thank you for your continued patronage of the Mitsubishi general-purpose AC servo and FA products. To enhance productivity, the appearance of the AC servo motor will be changed as shown below. We ask for your understanding in this matter.

1. Target Model

HF-JP (11kW to 15kW)

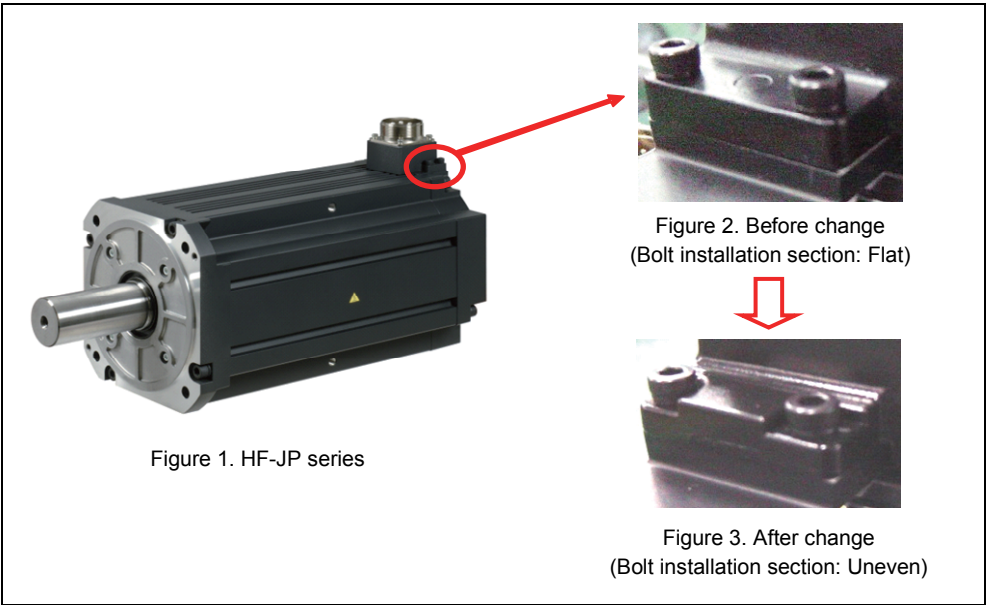

Note. Including the above model to be repaired after the change

2. Purpose

To enhance productivity by standardizing the parts for the servo motors

3. Details of Change

With the change of the power supply connector, the bolt installation section will be uneven. This change does not affect the product functions or performance.

4. Schedule

This change will be made sequentially from the November 2010 production. Because of inventories, old and new products may exist in the distribution stage. We ask for your understanding in this matter.

Date of issue	November 2010	Title	Change in Power Supply Connector of General-purpose AC Servo Motor	Mitsubishi Electric Corp., Nagoya Works 5-1-14 Yada-minami, Higashi-ku, Nagoya 461-8670 Tel.: +81 (52) 721-2111 Main line
