

## Sales and Service

### Earth Terminal Change of General-purpose AC Servo

Thank you for your continued patronage of the Mitsubishi general-purpose AC servo and FA products. To improve the wiring workability, the earth terminal will be changed. We ask for your understanding in this matter.

#### 1. Target Models

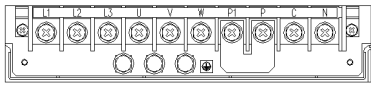

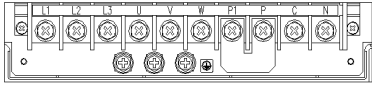

MR-J2S-22KA/B, MR-J2S-22KA4/B4

#### 2. Purpose

To improve the wiring workability

#### 3. Details of Change

The earth terminal will be changed from a hex head bolt to a hex head bolt with a cross-shaped slot.

	Before change	After change
Bolt	Hex head bolt	Hex head bolt with a cross-shaped slot
Location of change	 	 
Appearance		

#### 4. Schedule

This change will be made sequentially from the May 2011 production. Because of inventories, old and new products may exist in the distribution stage. We ask for your understanding in this matter.
