### Production Discontinuation of General-purpose AC Servo MR-C Series

Thank you for your continued patronage of the Mitsubishi general-purpose AC servo and FA products. The MR-C series has been manufactured for 13 years since its release. However, the demand for the MR-C series has decreased in recent years. Therefore, the production of the series will be discontinued according to the schedule below. We ask for your understanding in this matter.

#### 1. Target Models

##### Servo amplifier

MR-C10A, 20A, 40A, 10A1, 20A1

##### Servo motor
