Battery Label Change for the Mitsubishi Servo Amplifier MR-J4 Series

Thank you for your continued patronage of the Mitsubishi general-purpose AC servo and FA products. For the AC servo amplifier MR-J4 series, the label on the battery will be changed as follows. We ask for your understanding in this matter.

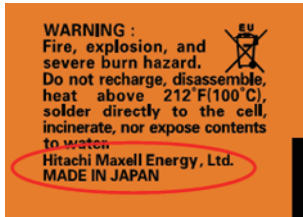

1. Target Models

MR-BAT6V1, MR-BAT6V1SET

2. Details of the Change

The battery tube label and battery label description will be changed as follows.

- (1) With the change of the battery manufacturing corporate name, the battery tube label description will be changed.
- (2) The model name added to the battery label, and the corporate name changed.

Changed part	Before change	After change
(1) Battery tube label The corporate name changed Before change Hitachi Maxell Energy, Ltd. MADE IN JAPAN After change Hitachi Maxell, Ltd. JAPAN		
(2) Model added to the battery label • MODEL MR-BAT6V1 added • The corporate name changed		
Remarks		

4. Schedule

This change will be made sequentially from the September 2013 production.

There may be cases when both new and old products exist in the distribution stage. We ask for your understanding in this matter.

The functions and performance of the battery are not affected by the above change.
