Label Indication Change on the Battery Unit Cable of the MR-J2M Series

Thank you for your continued patronage of the Mitsubishi general-purpose AC servo and FA products. Along with the unification of model indication on our cable, we will change the label as follows. We ask for your understanding in this matter.

1. Target Models

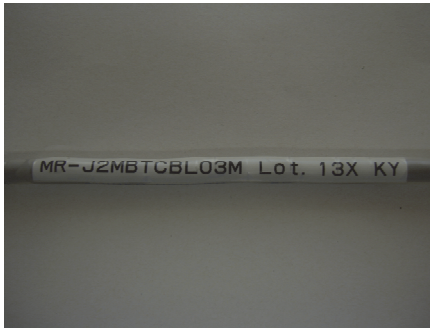

Battery unit cables: MR-J2MBTCBL03M/1M

2. Details of the Change

- Change of the model indication on the label
MR-J2MBTCBL_M Lot. No***._KY
Change: The lot No. will be added.

For details of model indication on the label, refer to Table 1.
The change does not affect the functions and performance of the cable.

Table 1 [Photos of model labels before and after change]

Before change	After change
Without the lot indication 	With the lot indication 

3. Schedule

This change will be made sequentially from the March 2014 production. There may be cases when both new and old products exist in the distribution stage. We ask for your understanding in this matter.
