

## AC Servo Sales and Service

### Production Discontinuation of MR-J2-Jr Series, HC-AQ Servo Motors and Setup Software MRZJW3-SETUP81(E), and a Free Download Offering of the Software

Thank you for your continued patronage of the Mitsubishi Electric general-purpose AC servo and Mitsubishi Electric FA products.

The MR-J2-Jr series and HC-AQ series have been used for 16 years since their release, but now we are having difficulty in obtaining their electronic components mainly. We will discontinue their production and setup software MRZJW3-SETUP81(E) as scheduled below. We ask for your understanding in this matter.

Accordingly, setup software MRZJW3-SETUP81(E) has been downloadable for free since July 1, 2015.

#### 1. Target Products
