Corporate Logo Change for MR-J3 Series Servo Amplifiers and Their Options

Thank you for your continued patronage of the Mitsubishi general-purpose AC servo and FA products. We will change the corporate logo on the MR-J3 series servo amplifiers and their options as follows. We ask for your understanding in this matter.

1. Target Models

- MR-J3 series servo amplifiers
- MR-J3 series options

2. Purpose

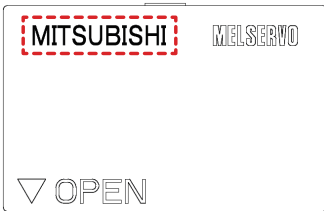

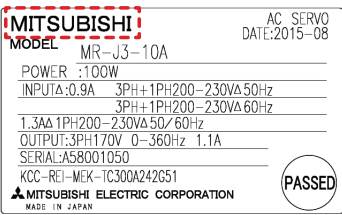

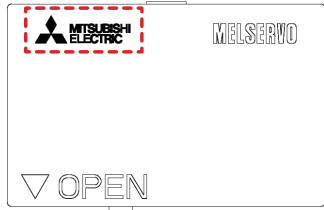

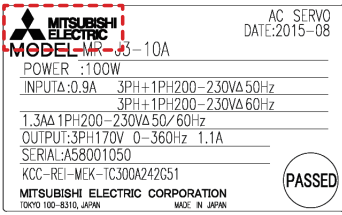

To unify the design of the general-purpose AC servo

3. Details of the Change

The corporate logos will be changed from "MITSUBISHI" to "MITSUBISHI ELECTRIC": the logos are on the transparent front cover of the servo amplifier and in the rating plate on the side of the servo amplifier.

The other descriptions printed on the rating plate will also be changed accordingly.

Details of the change (The corporate logo of [] will be changed.)

Before change		
After change		

Along with the change made to the products, the contents of the Installation Guides will also be changed.

The change does not affect the performance, functions and components of the servo amplifiers and their options.

4. Schedule

This change will be made sequentially from the January 2016 production.

There may be cases where both old and new products exist in the distribution stage.
