Change of the Country-of-Origin Indication for the Servo Option of General-Purpose AC Servo Amplifiers

Thank you for your continued patronage of the Mitsubishi general-purpose AC servo and Mitsubishi Electric FA products.

The country-of-origin indication for the servo option has been changed as follows according to the Rules of Origin of the World Trade Organization (WTO). We ask for your understanding in this matter. This change does not affect the functions and performance of the products.

1. Target Models

Connector set: MR-J3CN2

2. Details of the Change

Along with the change of the production site, the country-of-origin indicated on the packaging box of the servo option has been changed.

Note. Under the Agreement on Rules of Origin in Annex 1A to the Agreement Establishing the World Trade Organization, the country of origin of a product is defined as "the country where the last substantial transformation has been carried out".
