

## AC Servo Sales and Service

### Design Change of Packaging Box for AC Servo Motors

Thank you for your continued patronage of the Mitsubishi Electric general-purpose AC servo and Mitsubishi Electric FA products.

The design of packaging boxes for AC servo motors will be changed as follows. We ask for your understanding in this matter.

#### 1. Target Models

AC servo motors (rotary servo motors, linear servo motors, and direct drive motors)

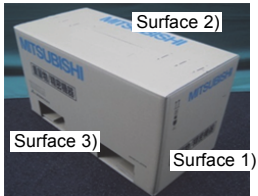

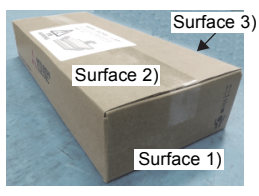

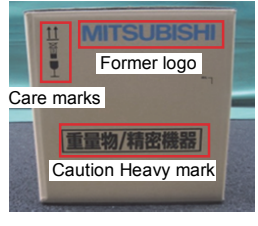

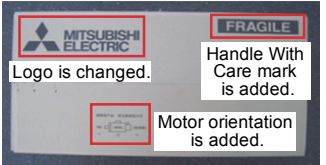

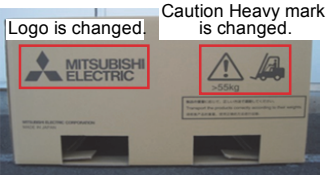

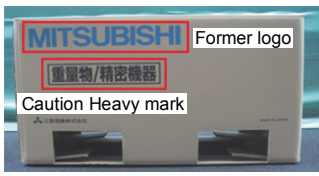

#### 2. Purpose

To promote the globalized design of packaging boxes

#### 3. Details of the Change

The descriptions on the packaging boxes for some target servo motors are changed.

The following shows a typical example of descriptions, and they vary depending on the models.

	After change	Before change (specification 1)	Before change (specification 2)
Packaging box			
Surface 1)	Care marks are changed. Caution Heavy mark is changed.  Logo is changed.	 Former logo Care marks Caution Heavy mark	 Care marks
Surface 2)	 Logo is changed. FRAGILE Handle With Care mark is added. Motor orientation is added.	 Former logo	 BE WARNINGS
Surface 3)	Logo is changed. Caution Heavy mark is changed.  MITSUBISHI ELECTRIC	 Former logo Caution Heavy mark	 MITSUBISHI ELECTRIC Logo

#### 4. Schedule

This change will be made sequentially from the January 2017 production.

There may be cases where both the former and new products exist in the distribution stage.
