

AC Servo Sales and Service

Change in Appearance of MR-J5W-G General-Purpose AC Servo Amplifiers

Thank you for your continued patronage of the Mitsubishi Electric general-purpose AC servo. The appearance of MR-J5W-G multi-axis servo amplifiers will be changed as follows.

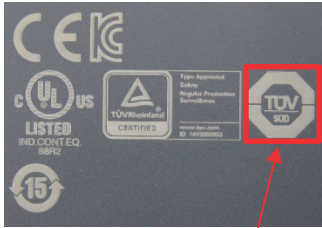

1. Target Model

MR-J5W_ _G multi-axis servo amplifiers of all capacities (200 W to 1 kW)

2. Details of the Change

The functional safety certification mark will be added on the side of each unit as the target model now supports functional safety.

Table 1. Details of the Change

	Before	After
The side of a unit		 The functional safety certification mark is added.
Safety sub-function	—	STO (IEC/EN 61800-5-2)
Safety performance (Standards certified by CB)	—	EN ISO 13849-1:2015 Category 4 PL e IEC 61508 SIL 3 EN 62061 SILCL 3 EN 61800-5-2

Note. For details of functional safety, refer to MR-J5-G/MR-J5W-G User's Manual (Introduction) and MR-J5 User's Manual (Hardware) of version B or later.

3. Schedule

This change will be made sequentially from the November 2019 production.

Note that, depending on the stock status, the products with both the former and new appearances may be distributed in the market around the same time.
