Change in Packaging of AC Servo Manuals

Thank you for your continued patronage of the Mitsubishi Electric AC servo system. The packaging of AC servo manuals will be changed as follows.

1. Target Manual

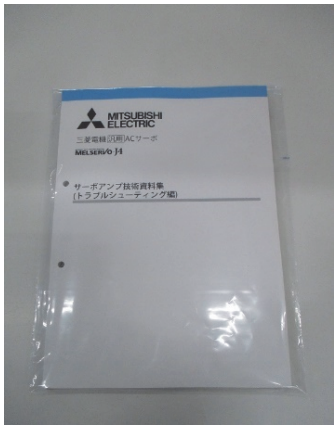

AC servo manuals

2. Reason for the Change

To protect the manuals from tearing or getting dirty

3. Details of the Change

The manuals come packaged in a carton box or plastic bags currently, but all the manuals will come packaged in plastic bags.

| Before | After |
|--|---|
|  |  <p style="text-align: right;">Individually packaged</p> |
| Manuals in a carton box | A manual in a plastic bag |

4. Schedule

This change will be made sequentially from the June 2020 production.

Note that, depending on the stock status, the manuals in a carton box may be distributed in the market even after June 2020.
