Appearance Change of the Rotary Switch on AC Servo Amplifiers

Thank you for your continued patronage of the Mitsubishi Electric AC servo system.
The appearance of the rotary switch on the AC servo amplifiers will be changed as follows.

1. Target Model

MR-J4-B, MR-J4W2-B, MR-J4W3-B, MR-J4-GF

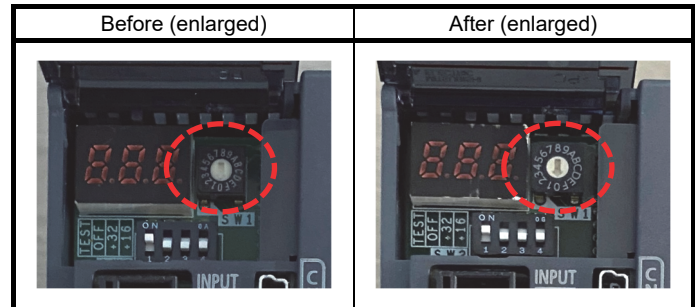

2. Reason for the Change

To improve the obtainability of the parts

3. Details of the Change

The rotary switch being used for the target models will be changed. The size of the characters will be larger, improving the visibility.

* This change does not affect the functions and performance of the products.

4. Schedule

This change will be made sequentially from the July 2021 production.

Note that, depending on the stock status, the products with both the former and new appearances may be distributed in the market around the same time.
