Change in Appearance of Encoder Housings of AC Servo Motors

Thank you for your continued patronage of the Mitsubishi Electric AC servo system.
The appearance of encoder housings will be changed to improve obtainability.

1. Target Model

Rotary servo motor: HG-SR_W0C series, HG-JR_W0C series, and HG-RR_W0C series

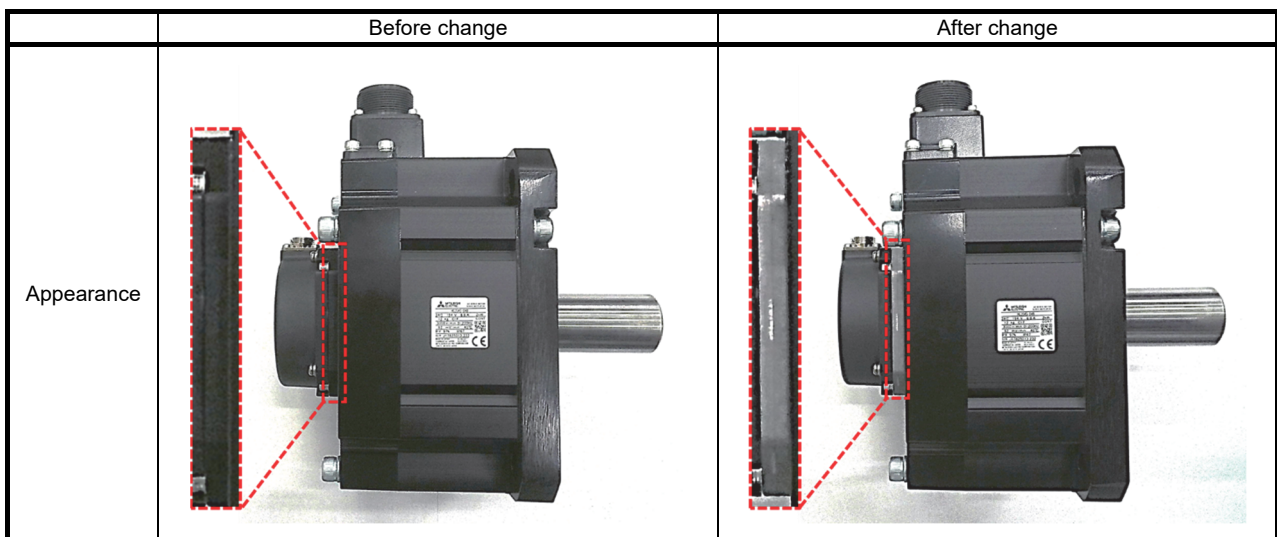

2. Reason for the Change

To improve obtainability

3. Details of the Change

The appearance of encoder housings will be changed.

This change does not affect the functions and performance of the products.

4. Schedule

This change will be made sequentially from the September 2023 production.

There may be cases where both the former and new products exist in the distribution stage.
