[Title] Adding a Packing Box Label to the GOT2000 Series Set Products and Some Option Units

[Date of Issue] February 2017

[Relevant Models] GOT2000 Series

Thank you for your continued support of Mitsubishi Electric Graphic Operation Terminal (GOT).
A label will be added to the packing box of the GOT2000 Series set products and some option units.
Note that there are no changes other than the packing box label.

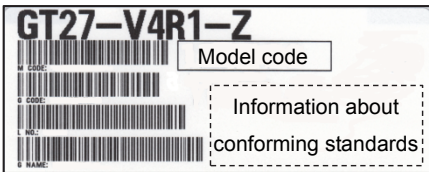

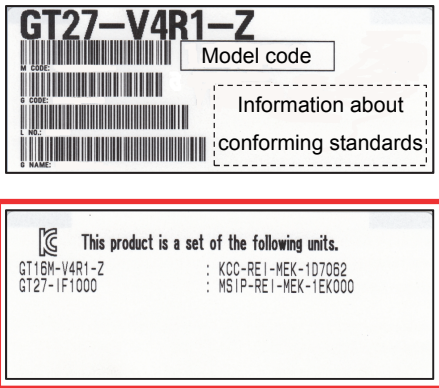

1. Reasons for change

To indicate the certification number of the Radio Waves Act (South Korea) for each component of the GOT2000 Series set products and some option units.

2. Details of change

Add the label that indicates the model names of all included units, the certification number for each unit, and the KC mark to the packing box.

The following shows an example of the change. The descriptions and the layout vary depending on the model.

Before	After				
 <p>The label shows the model code GT27-V4R1-Z, a barcode, and a dashed box labeled "Information about conforming standards".</p>	 <p>The label shows the model code GT27-V4R1-Z, a barcode, and a dashed box labeled "Information about conforming standards". A new red-bordered box is added below, containing the KC mark and the text "This product is a set of the following units." followed by a list of units and their certification numbers:</p> <table border="0"> <tr> <td>GT16M-V4R1-Z</td> <td>: KCC-RE1-MEK-1D7062</td> </tr> <tr> <td>GT27-1F1000</td> <td>: MS1P-RE1-MEK-1EK000</td> </tr> </table> <p>A red line points from this box to the explanatory text on the right.</p>	GT16M-V4R1-Z	: KCC-RE1-MEK-1D7062	GT27-1F1000	: MS1P-RE1-MEK-1EK000
GT16M-V4R1-Z	: KCC-RE1-MEK-1D7062				
GT27-1F1000	: MS1P-RE1-MEK-1EK000				

The label indicates the model names of all included units, the certification number for each unit, and the KC mark.

3. Target model

- GOT + CC-Link IE Field Network communication unit set
- Multimedia unit (GT27-MMR-Z)
- RGB input unit (GT27-R2-Z)
- Video/RGB input unit (GT27-V4R1-Z)
- Video input unit (GT27-V4-Z)
- RGB output unit (GT27-ROUT-Z)

4. Schedule

The change is applied to the products manufactured in February 2017 or later.

Since we still have products with old packing box label in stock, products with old and new packing box labels may exist in the distribution stage.
