

Adding the Country of Origin Indication to GOT2000 Series/GOT1000 Series Optional Products

■Date of Issue

August 2022

■Relevant Models

GOT2000 Series, GOT1000 Series

Thank you for your continued support of Mitsubishi Electric Graphic Operation Terminal (GOT).

The country of origin has been added to some option units and communication cables of GOT2000 series and GOT1000 series.

This change does not affect the performance specifications and functions of the products.

3 Schedule

The change will be made sequentially from the October 2022 production.

There may be cases where both the former and new products exist in the distribution stage.
