GOT-A-0211-A

1 Overview

The State Radio Regulatory Commission (SRRC) certification is a standard required for all wireless products sold and used in China.

The wireless LAN communication unit (GT25-WLAN) has been SRRC-certified, but is to be withdrawn from the certification.

2 Applicable Model and Expiration Date

Product	Model	Expiration date
Wireless LAN communication unit	GT25-WLAN	January 27, 2024

3 Change to the Product

The products shipped after the withdrawal from the SRRC certification will not have the indication of the CMIIT ID (10-digit ID) on them.

This change does not affect the general specifications, product specifications, functions, and external dimensions of the products.

There may be cases where both the products before and after the change exist in the distribution stage.
