

**Subject:** Overseas packaging specification change for robots

**Applicable to:** All models shipped overseas

Thank you for your continued support of Mitsubishi industrial robot MELFA series. The overseas packaging specification for our industrial robots will be changed.

### 1. Target Models

All models shipped overseas

### 2. Details of the Change

The overseas package for robots will be changed from plastic bags to rust proof

Item		Before change	After change
Color		Colorless transparent	Blue and semitransparent
Appearance		 <p>Plastic bag (Transparent) Package (Brown) Drying agents (3 bags)</p>	 <p><b>Rust proof packaging bag (Blue and semitransparent)</b></p> <p>The appearance of the robot after unpacking</p>
	Packaging bag	Plastic bag	Rust proof packaging bag
	Packaging specification	Package	Provided
	Drying agent	Provided (200 g × 3 bags)	None

### 3. Reason for Change

To raise the availability of a packaging medium

To simplify packing specification

### 4. Schedule

This change will be made sequentially from January 2014.

(The schedule differs depending on the model. The change will be made to the products in the same lot. )
