# Report of the change from the CD-ROM instruction manual to the QR Code instruction manual

- Date of issue  
December 2025
- Applicable models  
MELFA FR/CR/ASSISTA series

Thank you for your continued support of Mitsubishi Electric industrial robot "MELFA". This technical news describes the discontinuation of the CD-ROM instruction manual supplied with conventional products\*1 and the introduction of the new QR Code instruction manual to be supplied with the products.

\*1: Including optional products

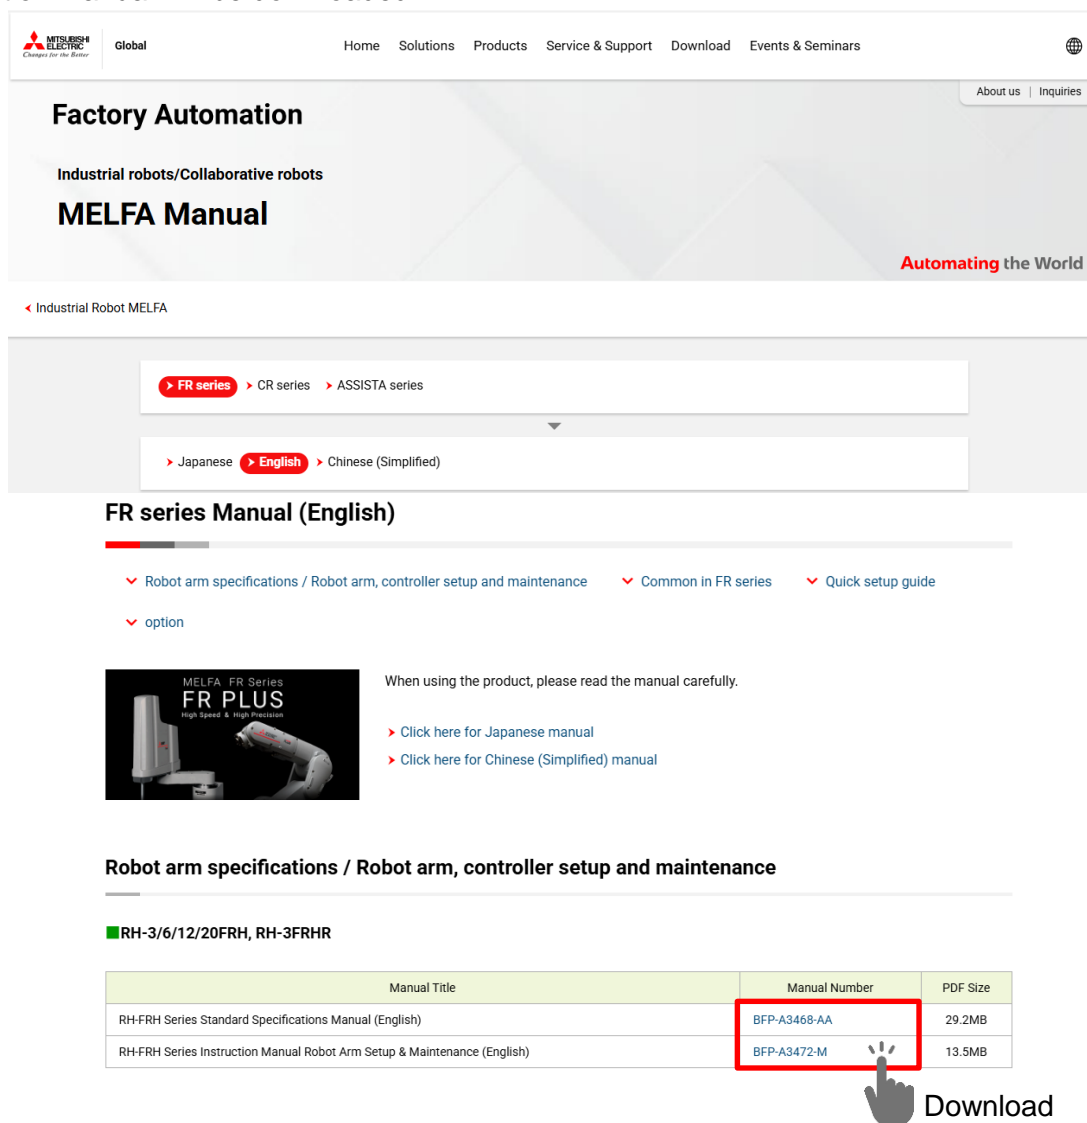

## 1 Changes [1/2]

To reduce environmental impact and improve customer convenience, the instruction manual supplied with the products will be changed from the CD-ROM version to the QR Code version. By scanning the QR Code or entering the URL printed below the QR Code, users will be directed to a dedicated website that provides the instruction manuals of MELFA FR/CR/ASSISTA series.

Before	After
	

\*QR Code is a registered trademark of DENSO WAVE INCORPORATED.

## 1 Changes [2/2]

The QR Code instruction manual will be applied sequentially from the December 2025 production. There may be cases where products with the CD-ROM instruction manual exist in the distribution stage.

\*QR Code is a registered trademark of DENSO WAVE INCORPORATED.
